

Notes

on funding Bilateral Events

Funding for bilateral events is granted on the basis of a proposal received from the coordinator in Germany, who, if the proposal is approved, also manages the funds and reports to the DFG. The event may be held either in Germany or in the partner country.

Proposals should include the following information:

- brief description of the state of the art of research in the relevant field
- detailed description of the scientific objectives and the envisioned programme
- list of the proposed participants, both German and international, giving the complete addresses of the institutions and topics of their contributions
- estimate of the expenses applied for
- bank details of the account which will be used to handle the funds

It is possible to receive funding for:

Events held in Germany

- maintenance costs (including accommodations) for international participants (from the partner country and, if applicable, other countries) according to fixed rates
- domestic travel expenses and maintenance costs for participants from Germany
- supplement for other conference expenses

Events held in the partner country

- round trip travel expenses for participants from Germany (and other countries, if applicable) to the host country as well as a supplemental maintenance allowance, where applicable
- supplement for other conference expenses

Please submit the proposal in duplicate. Decisions are made approximately two to three months following receipt of the proposal.
